

CALL FOR ABSTRACTS

CAPHD Annual Conference 2024

THEME: Building Bridges: Accessible Dental Care for All Canadians

Submission Deadline: August 1, 2024

Presentation Date: September 20, 2024

The Canadian Association of Public Health Dentistry (CAPHD) is pleased to announce the call for abstracts for our annual conference scheduled for September 20, 2024, themed "Building Bridges: Accessible Dental Care for All Canadians." We hereby welcome your submissions.

Presentation Details:

- **Location:** CAPHD Conference (Via Zoom)
- **Duration:** 10 minutes for presentation plus 5 minutes for questions
- **Note:** Conference registration is mandatory for presenters

Submission Guidelines:

We welcome abstracts that summarize current or on-going research projects, or innovative programs. To ensure consistency, please format your abstract under the following headings: objectives, methods, results, and conclusion. Abstracts not adhering to this format will be returned for revision. Each abstract should be under 300 words and must include a title, author(s), and institutional affiliations(s). Kindly indicate the presenting author with an asterisk (*).

Evaluation Criteria:

Submitted abstracts will be evaluated based on:

- **Relevance:** Alignment with the conference theme and/or dental public health.
- **Originality:** Contribution to the state of knowledge in dental public health.
- **Quality:** Clear objectives, appropriate methods, and overall scientific validity.

We encourage submissions from a diverse group of professionals, including dentists, dental hygienists, dental therapists, denturists, dental assistants, students, and others, both nationally and internationally. Multiple submissions are allowed.

Please submit your abstracts by August 1st, 2024, to info@caphd.ca.
